

Hygostar nitrile glove SAFE PREMIUM, blue, size XL, powder free

Nitrile gloves Safe Premium by Hygostar: The nitrile glove Safe Premium by Hygostar is a glove in premium quality. It offers protection against chemicals and solvents and is very suitable for the food sector as well as for medical purposes. Due to its roughened surface it also provides an excellent grip. It adapts perfectly to your hand and ensures a comfortable wearing comfort due to an optimal heat dissipation, even when worn for a longer period of time. Due to the material, the Safe Premium is especially skin-friendly and has an excellent wet grip.

- disposable glove, 24 cm
- Nitrile, strong quality, powder-free, non-sterile
- textured fingertips for excellent grip
- latex-free and therefore suitable for allergy sufferers
- optimal heat dissipation, no heat accumulation
- very comfortable, fits like a second skin, with rolled edge

- very elastic and tight up to the tearing point
- robust, oil and grease resistant
