

Hygostar nitrile glove EXTRA SAFE, blue, size L, powderfree

Nitrile gloves Extra Safe by Hygostar: The powder-free nitrile glove Extra Safe convinces by its thicker wall thickness compared to other nitrile gloves. This makes this disposable glove particularly tear-resistant, withstands even strong mechanical stress and long periods of use. Furthermore, the nitrile glove has textured fingertips which guarantee an excellent grip. Furthermore, the disposable nitrile glove offers sufficient protection against chemical and biological hazards as well as cytostatics.

- disposable glove, 24 cm
- Nitrile, particularly strong quality, powder-free, non-sterile
- textured fingertips for excellent grip
- highly elastic
- very comfortable, with rolled edge
- extremely durable, resistant to oil and grease
- Protection against chemical, cytotoxic and biological hazards
- skin-friendly, latex-free and therefore suitable for allergy sufferers
- Dispenser box
