

Hygostar nitrile glove POWER GRIP, blue, size L, powderfree

Nitrile glove Power Grip by Hygostar: The nitrile glove Power Grip is a glove made of especially strong material. It offers protection against chemicals and is ideally suited for the food and industrial sectors. Due to the non-slip structure on both sides, it has an excellent grip. The embossing on the inside ensures that the glove does not slip during use.

- disposable glove, 24 cm
- Nitrile, particularly strong quality, powder-free, non-sterile
- latex-free and therefore suitable for allergy sufferers
- double-sided anti-slip structure for excellent grip, can be worn on both sides
- inside embossing prevents the gloves from slipping
- very elastic, with rolled edge
- secure grip even in dry and wet applications, oil and grease resistant
- Dispenser box
