

Hygostar nitrile glove POWER GRIP, black, size L, powderfree

Nitrile glove Power Grip by Hygostar: The nitrile glove Power Grip is a glove made of especially strong material. It offers protection against chemicals and is ideally suited for the food and industrial sectors. Due to the non-slip structure on both sides, it has an excellent grip. The embossing on the inside ensures that the glove does not slip during use.

- oil and grease resistant
- food safe and therefore ideally suited for the food industry
- excellent grip: double-sided anti-slip structure
- comfortable: the embossing on the inside prevents the glove from slipping
- powder-free: protection of the product against contamination and prevention of skin irritation
- elastic: nitrile is more tear-resistant than latex, both in dry and wet use
- resistant to chemicals: Protects against many chemicals and solvents
