

## Hygostar cotton glove BLANC, white, size L

---

The special feature: The double quality control carried out during production ensures top quality! The BLANC is very finely worked and has layered fingers. It is the ideal underglove and washable at up to 60°C. The BLANC is often used in assembly and as underglove when using cleaning gloves or touching hot dishes. It is also suitable for stain-free covering of cutlery.

- Cotton blend, strong quality
- layered fingers, good fit
- extra long cuff for more protection
- breathable, very light
- washable at 60°C
