

## Hygostar nylon glove CONTROL strong quality, white, size M

Working gloves Control from Hygostar: The working gloves Control have a strong nylon quality and at the same time a very fine weave structure, which allows the wearer a very good sense of touch. The layered fingers also ensure a very good fit on the hand. The anatomical thumb also ensures that the glove can be worn on both sides. The Control work gloves are particularly suitable for surface inspections in the automotive industry and aircraft construction.

- Nylon
- fine and strong quality, lint-free
- very good tactile sensitivity
- layered fingers for perfect fit

Item no.

WL49197

Model

Hygostar-27275

Products for the electronic industry
