

Hygostar visitor gown, PE, blue 20my, dispenser box

This visitor's smock consists of a 20 my strong polyethylene film. The PE visitor's gown is very hard-wearing and impermeable to moisture. It is closed with sturdy press studs. The Visitor's Gown is individually packed and is particularly suitable for visitors in the kitchen or food area, but also for visitors in industry.

- Polyethylene
- waterproof and durable
- pleasant-to-wear sensation
- with very high quality snap fasteners
