

Hygonorm visitor smock, green, PP fleece 30gr/m², velcro fastener, XXL

Disposable gowns PP by Hygonorm The disposable gowns made of PP are perfectly suitable as visitor gowns. Because PP gowns are particularly air-permeable, comfortable and inexpensive. The light quality of the smock and the velcro fastener on the front make the visitor's smock extremely practical. It is available in extra large sizes and can easily be worn over normal clothing. Thanks to the Velcro fastener, the disposable gown can be put on and taken off very quickly. Visitors' gowns are particularly hygienic and provide reliable protection against contamination. They are ideal for visitors in the kitchen, food industry, industry and hospital.

An overview of the features of the Visitor's Gown:
