

Hygobase trousers ECO, PP, XXL 30gr/m², dark blue

The Eco trousers are made of a lightweight polypropylene fleece, which makes them permeable to air. This has an elasticated footband and can be easily worn over normal clothing. In addition, the PP pants with a comfortable cut for freedom of movement. The Eco trousers are ideal for hygiene-sensitive production areas with short periods of use in which clothing is changed daily.

- Material: lightweight polypropylene fleece
- waistband with elastic
- air-permeable
- very inexpensive quality
- opaque
- pleasant cut for freedom of movement
- for short periods of use
- areas of application: Production areas with daily change of clothes
