

Hygonorm overall "Eco", PP, M, white waist + arm rubber, hood

Protective suits made of PP are particularly breathable and permeable to air. The overall with hood is a light version made of PP fleece with approx. 25 g/m², has a comfortable cut and is also very supple. A high wearing comfort is guaranteed. The disposable overall is ideal as a protective suit against dirt and dust. The special: You receive the overall in different colours. PP fleece, approx. 25 g/m² high wearing comfort thanks to breathable, pliable material very nice fit, as there is elastic at the waist no slipping thanks to elastic at the arm and foot concealed zipper on the front for all work as protection against dirt
