

Hygostar surgical gown PP, collar, dark green 40gsm, 115 x 140cm

Now new - in strong design and with cuffs

The smock made of PP offers a light protection against liquids. It is generously cut and thus allows full coverage and great freedom of movement. The gown has closure bands at the waist and neck and cuffs. The cuffs on the arm ensure that the disposable gown fits comfortably and well. This gown is versatile and ideal for hospitals and nursing homes.

Note: The gown is not sterilizable.

- Polypropylene fleece
- Waist and neck straps for secure fit
- sleeves with elastic bands and cuffs
- non-sterile, light protection against liquids
- generous cut for best freedom of movement
