

Hygostar CPE examination gown, blue, with thumb hole, size XL

Examination gown with thumb hole made of CPE by Hygostar: The strong quality of this examination gown can be seen especially in the high-quality CPE it is made of. The abbreviation CPE stands for cast polyethylene. Cast polyethylene is a plastic to which chlorine has been added. Another advantage: This gown has a thumb hole at the arm ends. So the sleeves always fit perfectly and do not slip. This feature makes the gown especially comfortable in daily work.

with binding straps in the back easy to put on and take off hygienic single packing

- Cast polyethylene
- Thumb hole prevents sleeve slipping
- Binding straps for easy on and off
- liquid-tight
