Hygonorm CPE examination gown, blue, XL, economy pack with thumb hole

Examination gown LIGHT made of CPE, with thumb hole by Hygonorm This examination gown has an extremely practical opening for the thumb at the arm ends. Thus the gown fits perfectly and sleeve slipping is no longer an issue. With this disposable gown you work comfortably and safely. It can be used as examination gown in medical areas or as work gown in laboratories.
Another advantage: The gown is made of high-quality CPE (Cast Polyethylene). This material is absolutely liquid-tight.
in the back for tying for a good fit and a good fit on the body easy to put on and take off individually packed for hygienic storage and removal
The examination gown with thumb hole is available at a particularly favourable price in a light quality (approx. 22 my) and in a strong, high-quality version (approx. 50 my).
• CPE (Cast Polyethylene), light quality, approx. 22 my
• with thumb hole

- absolutely liquid-tight
- to tie, easy to put on and take off
- individually packaged
