

Hygostar overboots PE, transparent, 60my, 38x47cm, with elastic band

The overshoe is made of embossed polyethylene and it is transparent. It is very stable and impermeable to moisture. An integrated elastic band ensures a good fit. The overshoe is ideal for use in the meat and food industry, but also for all other work in wet and muddy conditions.

- Polyethylene
- coined
- with elastic band for good fit
- very strong
