

Hygostar overshoe CPE, red 40my, 41x15cm

Hygienic disposable overshoes made of CPE: Disposable overshoes are one of the most important preventive measures to avoid contamination (loose dust, dirt, infections) in sensitive manufacturing and medical areas. The overshoe STANDARD can be put on quickly and easily over street or professional shoes - ideal for visitors and staff. extra strong and hard-wearing, thanks to Cast Polyethylene (CPE) Your feet stay dry and clean, because it is absolutely waterproof cost-effective in different colours: ideal when using a hygiene colour system for the visual identification of different working areas especially for professional shoes also available in extra large (44 cm long, Art. 28516)
Length: 41 cm
