

Hygostar polyamide disposable socks, breathable, size 39-48

Disposable socks Foot Fresh by Hygostar: The disposable sock FOOT FRESH is made of 100% white polyamide. These disposable socks are very light, but still very shape-retaining and of high strength. They are breathable and have an ideal wearing comfort. The disposable socks FOOT FRESH can be used in many ways, especially in clean rooms, in the food industry, laboratories, pharmaceutical industries, hospitals (OP), aerospace industry, but also in wellness and SPA areas, hotels, sports facilities, at home, at work or during leisure time.
