

## Hygostar face mask Standard, white 2-layer, with rubber

Mouthguard 2-ply tissue from Hygostar: This mouthguard consists of two layers of tissue paper of solid quality. It is lint-free and very skin-friendly. The tissue mouthguard is particularly breathable and thus allows free breathing without sweating. It serves as a light face mask, e.g. for cosmetic areas or visitors.

- light face mask with soft elastic bands
- skin-friendly tissue paper
- firm quality, lint-free
- high wearing comfort, especially breathable
- Dispenser box
