

## Hygostar FFP1 protective mask, without valve, white, PU: 10 pieces

---

The FFP1 NR respirator is made of white polypropylene. This mask has two head straps, a flexible noseband and a soft nosepad, which ensures a good fit and high wearing comfort. In addition, the FFP1 NR respirator is very durable. This mask is an ergonomic fine dust mask that provides good protection against coarse dry particles and aerosols (e.g. wood grinding dust, quartz dust, coarser allergens, pollen) that are hazardous to health.

- ergonomic fine dust mask made of polypropylene
- two head bands, flexible nose clip and soft nose pad
- high wearing comfort and durability
- meets the minimum requirements for respiratory masks
- Dispenser box
