

Hygostar FFP1 protective mask, with valve, white, PU: 20 pieces

Respiratory protection mask FFP1 NR with valve: The respiratory protection mask FFP1 NR from Hygostar: made of white polypropylene has two head straps, a flexible nose clip and a soft nose cushion, which ensures a good fit and a high wearing comfort. The respirator also has a breathing valve. and is very durable. This filter class 1 mask is an ergonomic fine dust mask which, thanks to the valve, provides good protection against coarse, health-endangering dry particles and aerosols (e.g. wood grinding dust, quartz dust, coarser allergens, pollen).

- ergonomic fine dust mask made of polypropylene
- two head bands, flexible nose clip and soft nose pad
- high wearing comfort and durability
- meets the minimum requirements for respiratory masks
- Dispenser box
