

Hygostar FFP2 protective mask, vertically foldable, with valve and nose clip, white, PU: 10 pieces

Respirator with valve, FFP2 NR from Hygostar: The respirator FFP2 NR is made of white polypropylene and has two head straps, a flexible nose clip and a soft nose cushion. These features ensure that the mask fits close to the face and provides both protection and comfort. This mask is an ergonomic fine dust mask that protects against medium risks such as hazardous dry particles and aerosols (e.g. metal dust, mineral fibre dust, polishing dust, construction site dust).

- ergonomic polypropylene fine dust mask
- two head bands, flexible nose clip and soft nose pad
- very pleasant wearing comfort
- minimal breathing resistance for easy inhalation and exhalation
- Dispenser box
