

FFP2 protective mask, vertical foldable, without valve, white, PU: 10 pieces

The respiratory protection mask SUPER PROTECT FFP2 NR protects against the inhalation of aerosols and particles. The extremely effective filtration of viruses, finest dust, impurities and bacteria is almost 100% with this respirator. This vertically foldable FFP2 respirator is particularly powerful and comfortable.

- Special high-tech fleece
- extra lightweight
- very breathable, because of the large surface to breathe
- easy inhalation and exhalation
- easily mouldable noseband with PE coating for a perfect fit
- hypoallergenic
- almost 100% filter performance
