

## Hygostar FFP2 protective mask, without valve, white, PU: 20 pieces

### Description

The FFP2 NR respirator is made of white polypropylene. This mask has two head straps, a flexible noseband and a soft nosepad, which ensures a good fit and high wearing comfort. In addition, the FFP2 NR respirator is very durable. This mask is an ergonomic fine dust mask that provides good protection against hazardous dry particles and aerosols (e.g. metal dusts, mineral fibre dust, polishing dusts, construction site dusts).

- ergonomic polypropylene fine dust mask
- two head bands, flexible nose clip and soft nose pad
- very pleasant wearing comfort
- minimal breathing resistance for easy exhalation and inhalation
- Dispenser box
