

Hygostar FFP3 protective mask, with valve, white, PU: 10 pieces

Description

The FFP3 NR respirator is equipped with an exhalation valve and is made of white polypropylene. This mask has a sealing lip and adjustable straps, so that mouth and nose are perfectly sealed. The FFP3 respirator protects against very small dry particles and aerosols that are hazardous to health (e.g. chemical industry, bacteria, viruses, simple radioactive dusts).

- ergonomic fine dust mask made of polypropylene
- with sealing lip for excellent sealing
- adjustable straps and flexible nose clip
- very comfortable to wear
- also for spectacle wearers
- Dispenser box
