

Hygostar FFP3 protective mask, horizontal foldable, with valve and nose clip, white, PU: 20 pieces

The respirator FFP3 NR from Hygostar is made of white polypropylene and is equipped with an exhalation valve. This mask has adjustable straps as well as flexibly adjustable nose clips, so that mouth and nose are excellently sealed. In addition, this mask is foldable. The FFP3 NR respirator protects against very small dry particles and aerosols that are hazardous to health (e.g. chemical industry, bacteria, viruses, simple, radioactive dusts). All respirators are in hygienic individual packaging.

- ergonomic polypropylene fine dust mask
- adjustable straps and flexible nose clip
- very comfortable to wear
- also for spectacle wearers
