

HygoClean towel roll, white, 1-ply, Ø14cm, 120 meters, width: 20cm, 12 rolls per pack, inside unwinding

The paper towel on roll is made of 100% recycled fibre, is 1-ply and perforated. This paper towel roll is provided with a core for internal unwinding. The paper towel used is pleasantly soft and tear-resistant. Furthermore, its ability to absorb liquids is very high. This towel is best suited for use in the food and processing industry. It is also very popular in solariums and at petrol stations for wiping off dirt and oil.
