

HygoClean Dispenser for HYGOSTAR small packaging Hygo-Wipe

Dispenser bucket in compact size for disinfection wipes and cleaning cloths small, compact bucket made of plastic - ideal for mobile use, e.g. for cleaning trolleys or in rescue vehicles space-saving dishwasher-proof, refillable with carrying handle label for individual labelling, e.g. when and with which disinfectant you have filled the bucket. Blue lid included - for optimum sealing and metered removal of the wipes The handy dispenser bucket can be filled with the PET wipe HYGOWIPE COMPACT and a cleaning or disinfectant of your choice The cleaning cloth HYGOWIPE is made of 100% PET fibres, extremely absorbent and lint-free. The cleaning cloth ensures a very even distribution of the disinfectant on the surface. Thus you clean and disinfect very economically and extremely effectively! TIP: If you use different cleaning and disinfecting agents, you can mark the buckets with different coloured lids. The lids for the buckets are available in the colours blue, yellow, red, white and green.
