

HygoClean grill and oven cleaner, pH-value 13, suitable for LM-operations

Important information: This product is classified as a hazardous material. We transport dangerous goods only within the German-speaking countries and only to addresses accessible by rail or road. Please also refer to our General Terms and Conditions (Section V.1).

Grill and oven cleaner from HygoClean This grill and oven cleaner promises maximum cleaning power, against grease, stubborn encrustations, resinous oils and combustion residues. For hygienically clean and fat-free surfaces. It is ideally suited for cleaning grills, ovens, deep fryers, extractor hoods, baking trays (steel), smoking chambers, and/or convection ovens. The grill and oven cleaner for easy and time-saving cleaning without scrubbing: simply spray the appliance and let it work for 2-6 minutes, depending on how dirty it is!
