

Hygostar silicone glove HEATTEC blue, one size, 40cm

Silicone oven gloves Heattec by Hygostar: The HEATTEC glove is made of light blue silicone without seams and has a cotton lining. It is very soft and comfortable to wear, very durable and can be worn on the left or right hand. The HEATTEC is temperature resistant, waterproof and washable up to 40°C. The ribbed profile ensures a secure grip. Its long cuff also protects large areas of the forearm from heat and grease splashes.

- oven glove
- silicone, with cotton lining
- ribbed profile for a firm grip
- seamless processing, can be worn right and left
- very durable, waterproof and temperature resistant
