

## Hygostar stretch knitted glove ERGO FLEX NOPPEN nitrile PU coating with nitrile nubs, size XL

Working gloves Ergo Flex Naps by Hygostar: The working glove Erglo Flex Naps consists of a special material which is very elastic and seamless. A nitrile PU coating on the palm and fingertips as well as additional nitrile nubs provide an excellent grip and high slip resistance. The working glove is seamlessly processed, which prevents pressing or rubbing during work. This guarantees optimum wearing comfort. The Ergo Flex nubs have a very good sense of touch and offer sufficient protection against medium mechanical risks such as pricks or cuts.

- knitted special material
- foamed nitrile PU coating on palm and fingertips
- Nitrile nubs for excellent grip
- very non-slip and elastic
- good tactile sensitivity and wearing comfort
- seamless handling

- Protection against medium mechanical risks
