

Hygostar Sting Protection Glove short, without cuff, size XXS

Sting protection gloves without cuff from Hygostar: The sting protection glove is made of a mesh of stainless steel rings, which have a diameter of 4mm. The glove does not have a cuff, but can be adjusted to fit perfectly by the proven push-button technology. In addition, a quick removal of the glove is possible. The stab protection glove is suitable for both left and right handers. The possibility of easy and residue-free cleaning of the glove makes it ideal for the food industry.

- made of stainless steel rings with 4mm diameter
- suitable for handling food
- hygienic and easy to clean
- Push-button technology for precise adjustment
- easy, quick removal possible
- extremely sturdy

Item no.

WL49968
