

Hygostar stab protection glove with cuff 8cm, size M

Stinging protection gloves with 8cm cuff from Hygostar: The stinging protection glove has a cuff of 8cm. The mesh of stainless steel rings is extremely robust and provides increased protection. It can be precisely adjusted by the proven push-button technology. At the same time, the glove can be taken off quickly. The stab protection glove can be worn on the left or right without any further adjustments. It is also very hygienic as it can be cleaned without leaving any residue. Therefore it is particularly suitable for handling food. Note: The glove tensioner is not included.

- Stainless steel ring mesh, 4mm diameter
- Push-button technology for precise adjustment
- hygienic, residue-free cleaning
- food safe
- can be worn on both sides

Item no.

WL49971

Products for the electronic industry
