

## Hygostar puncture protection glove with cuff 15cm, size S

---

Stinging protection gloves with 15cm cuff from Hygostar: The stitching protection glove consists of a mesh of stainless steel rings with a diameter of 4mm. It can be adjusted precisely by the proven push-button technology. At the same time a quick removal of the glove is possible. The stab protection glove can be easily changed from left to right without tools. It is hygienic, light and comfortable to wear. The environmentally friendly stab protection glove is ideally suited for use in food production.

- Stinging protection gloves, 15cm with cuff
- robust stainless steel ring mesh
- very hygienic, residue-free cleaning
- Push-button technology for precise fit
- quick removal possible
- can be worn on both sides
- food safe
