

Hygostar cut protection glove, light blue, glass fibre core, 10 gauge, food safe, size XL/10

Cold & cut gloves Allfood Thermo from Hygostar: The cold protection glove has a particularly tightly knitted special fabric, which gives it cut protection class 5. Furthermore, the glove can be washed at up to 95°C. An extra long cuff provides more safety. Thanks to a lining in the Allfood Thermo, a good thermal insulation as well as a high wearing comfort is guaranteed. The glove can be worn on both sides and is food safe, making it suitable for many different applications.

- particularly tightly knitted special fabric
- Cut and cold protection in one glove
- washable up to 95°C, food safe
- extra long cuff for more safety
- soft lining for exceptional thermal insulation and high wearing comfort, optimal fit, can be worn left-right, also suitable as protection for the hand holding the knife
