

Hygostar cut protection glove CUT CRAFT black nitrile coating, grey, size M

Cut protection gloves Cut Craft by Hygostar: The cut protection glove consists of an elastic and breathable special fibre. The material is seamlessly processed, which prevents pressing or rubbing. A nitrile foam coating on the fingertips as well as on the palm provides a good abrasion resistance. The Cut Craft glove has an outstanding wet and dry grip and the highest cut protection class 5.

- elastic, breathable, seamless special fibre
- palm and fingertips with nitrile foam coating
- excellent wet and dry grip, very good abrasion resistance
- highest cut protection class 5
