

Hygostar cut protection glove CUT ALLFOOD NITRIL double nitrile coating, light blue, size XXL/11

Description

Cut protection gloves Cut Allfood Nitrile by Hygostar: The Cut Allfood Nitrile cut protection glove consists of a 4/4 nitrile full coating and a flexible, cut-resistant special fibre. The cut protection glove also has an additional reinforcement of the palm and fingertips by a microporous coating. The cut protection glove is very comfortable to wear and fits perfectly thanks to its elastic knitted cuff. The cut protection glove Cut Allfood Nitrile can be used in different areas. It enables a very high wet and dry grip, is liquid-repellent, food safe and has a high abrasion resistance. Properties of the Cut Allfood Nitrile cut protection glove at a glance
