Hygostar cut protection glove CUT ALLFOOD STEEL stainless steel core, 10 gauge, food safe, light blue, size XL/10

Cut protection gloves Allfood Standard by Hygostar: In the cut protection glove Allfood Standard fine steel fibres are processed in a very dense knitting, whereby the glove fits like a second skin. Due to its excellent tactile properties, the cut protection glove is especially suitable for the protection of the knife-holding hand and offers the user a very good cut resistance (DIN EN 388:2016 - highest level 5). The cut protection glove Allfood Standard is light, can be worn on both sides and offers best comfort. Furthermore, it is washable up to 95°C, very durable and suitable for contact with food.
