

Nitrile work glove NITRIL GRIP SUPER nitrile coating, yellow, strong quality, size XL

Work gloves Nitril Grip Super from Hygostar: This high-quality glove is for real professionals in industry and trade. The nitrile diving is especially strong. So this work glove is perfect for long jobs. Due to the material combination of cotton and nitrile coating you profit twice, because the Nitrile Grip Super is on the one hand waterproof and abrasion resistant. On the other hand the glove is very comfortable and durable.

- Work glove
- cotton, nitrile 4/4 full coating (dipped), with knitted cuff
- abrasion resistant and waterproof
- very good wet and dry grip
