

Hygostar Nylon-fine-knit gloves CRAFT nitrile coating, grey, size M

Work gloves Craft by Hygostar: The glove CRAFT consists of nylon fine knit with a light grey coating of nitrile. This coating makes the CRAFT resistant to fats and oils and gives it excellent abrasion and cut resistance. The back of the hand is not coated, making the glove very breathable. This, together with its very good fit and excellent flexibility, makes it very comfortable to wear. Furthermore, it has an excellent wet and dry grip. The Craft work gloves are ideal for precision work in assembly and packaging.

- Nylon fine knitted glove with nitrile coating
- excellent abrasion and cut resistance
- very good fit, excellent flexibility
- high wearing comfort, excellent wet/dry grip
- oil repellent, back of the hand free, therefore breathable

item number	WL50127
