

Hygostar fine knitted glove BLACK ACE 3/4 PU coating, black, size S, 3/4 dipped

Work gloves Black Ace Comfort 3/4 coated by Hygostar: The glove BLACK ACE Comfort is made of a nylon fine knit with a 3/4 polyurethane coating on palms, fingers and back of the hand. The material is very thin, which gives the glove excellent tactile sensitivity and yet is highly abrasion-resistant. In addition, it is very comfortable to wear because of its anatomical fit. The work glove is also suitable for allergy sufferers as it is made of silicone-free materials. Furthermore, the BLACK ACE Comfort is washable. It is particularly suitable for assembly work.

- Nylon, palm and $\frac{3}{4}$ back of the hand PU-coated
- good protection, very hard wearing
- high tear and abrasion resistance
- excellent tactile sensitivity, secure grip especially in dry areas of application
