

Hygostar fine knitted glove SKILL latex coating, grey, size XXL

Working gloves Skill by Hygostar: The glove SKILL consists of a nylon fine knit, which is coated with dark grey latex on the palm and fingertips. The nylon glove is very grippy and soft and also made of a very thin material, which gives it an excellent tactile sensitivity. The very thin material is nevertheless very tear and abrasion resistant. The SKILL is made without seams and fits perfectly, which leads to a very high wearing comfort. The nylon glove SKILL is especially suitable for assembly.

- Work glove
- Nylon, palm and fingertips latex coated
- seamless, perfect fit, very good tactile sensitivity
- very good grip and soft
