

Plaster set, 50 pieces, skin-coloured, textile fabric Pack á 50 pieces, individually sealed

Plaster set ELASTIC - special bandages, 5-part Belongs in every first aid kit: A comprehensive set of quick-acting wound dressings and plasters that are immediately at hand in case of emergency. With the ELASTIC plaster set you have the most important special bandages in one pack. All plasters are made of a particularly elastic material. They therefore hold reliably even in places that are subject to a lot of movement - without slipping or coming off. The emergency bandages allow you the greatest possible freedom of movement and provide optimum protection for the injury. In addition, the skin-coloured fabric is breathable and very skin-friendly (hypoallergenic!). Content of a plaster set: 1 plaster strip 19 x 72 mm 1 plaster strip 25 x 72 mm 1 finger dressing 12 x 2 cm 1 fingertip dressing 1 finger joint dressing

- from elastic textile fabric
- hypoallergenic and breathable
