Hygostar Catchball "Notebord", 60cm, white

Catchball system NOTEBORD: With just one single movement you can slide your notes, copies, plans and slips of paper easily, quickly and safely under the rail. The paper is pulled out just as quickly without tearing. The catchball system is made of plastic and is available in many different colours and sizes.
Innovation Catchball-System: The balls made of special technical glass run freely in the rails and hold the paper in place by gravity. The rails can be arranged in any order. The top edge also serves as a pencil tray, the front side can be written on. The back is self-adhesive and prepared for screwing. The catchball rail is optionally available with your own logo! Variants of the Catch-Ball rail NOTEBORD: 1,00m: white 0,80m: white, neon-green, neon-orange, blue, yellow, green, red 0,60m: white 0,40m: white, neon-green, neon-orange 0,22m: white, neon-green, neon-orange, blue, yellow, green, red, transparent
