

## Earplugs, disposable, yellow, 5 pairs/pack, foam

The CLASSIC earplugs are made of a slowly reformable foam. They are easy to insert and can be worn comfortably with other personal protective equipment, as they are particularly suitable when wearing ear protection and glasses or goggles at the same time. The CLASSIC ear plugs are also used in workplaces with continuous exposure to noise or excessive perspiration under earmuffs.

- Foam, slow recovery, yellow
- SNR value 28 dB
- easy to use, portable together with other PPE
- ideal for workplaces with continuous exposure to noise
