

Hygostar ballpoint pen "Light plus", detectable, blue, blue writing, with cap

Detectable pens are particularly recommended for food production. The LIGHT PLUS ballpoint pen is made of a detectable plastic material which can be easily detected by metal detectors if it accidentally enters the production chain. A further advantage: the ballpoint pen can be closed with a cap. The cap is of course also detectable. complies with the HACCP directive unbreakable and very robust plastic cap with clip for easy and quick fastening and storage writes best at room temperature ideal for offices and visitors in the food industry blue housing blue writing

- detectable plastic
- with cap and clip, protection for clothes
- blue font, writes only at room temperature
- very light, break-proof and very robust

Item no.	WL50386
Model	Hygostar-85402
Model line	Hygostar Light
Manufacturer	FRANZ MENSCH
Manufacturer article no.	85402
GPSR manufacturer data	Franz Mensch GmbH Werner-von-Siemens-Straße 2 DE-86807 Buchloe www.franz-mensch.de
Sales unit	1 piece
Content unit	1 piece
Font colour	blue
Colour	blue
ESD compliant	no
