

Hygostar ballpoint pen DETECT, detectable, without clip Font colour: blue, housing colour: blue, 20 pieces

The ballpoint pen Standard Detect is a detectable pen and especially suitable for working in food production. Special detectors can detect the pen in case it accidentally enters the production line and the blue housing of the pen is fully detectable and therefore can be recognized as a foreign object by the detectors.

Housing made of detectable plastic with retractable refill, so you can keep the pen in your inside pocket without dirtying your clothes blue writing very stable, unbreakable material complies with HACCP recommendations ideal for offices and visitors

- detectable plastic
- one-piece, with retractable refill
- unbreakable and very robust
- blue font
