# Hygostar stainless steel clips, detectable, stainless steel clamp, 14,5x7,0cm

From now on: Improved quality with cleanly deburred and rounded edges . The detectable stainless steel clamp is ideal for large food productions. The clip can be detected by a detector machine. A contamination of the food is thus prevented. The stainless steel clip is an ideal addition to your detectable work equipment. It can be used together with clipboards, display boards or transport boxes. The stainless steel clip is robust and reliably holds notes and other work documents. detectable stainless steel robust and durable easy to clean and therefore very hygienic size: 14.5 x 7cm HACCP-compliant suitable for BRC systems ideal for clipboards, display boards, transport boxes
• Stainless steel smooth, food safe
• Edges cleanly degraded and slightly rounded
