

Hygostar ballpoint pen "detect", detectable, without clip, writing colour: blue, casing colour: graphite

The ballpoint pen Standard Detect is a detectable pen and especially suitable for work in food production. Special detectors can detect the pen in case it accidentally enters the production process and the blue housing of the pen is completely detectable and therefore can be recognized as a foreign object by the detectors. Housing made of detectable plastic with retractable refill, so you can keep the pen in your inside pocket without dirtying your clothes blue writing very stable, unbreakable material complies with HACCP recommendations ideal for offices and visitors

item number	WL50468
model	Hygostar-85552
