Hygostar overshoe machine "Hygostep Comfort", electric

Overshoeing machine - extra easy to operate: The electric overshoeing machine HYGOSTEP automatically pulls overshoes over the foot. The overshoe machine works especially easy and can be refilled with overshoes within seconds. Hygostep is ideal for rooms where many visitors should be equipped with overshoes as quickly and easily as possible.
much faster than putting them on by hand easy filling comfortable, thanks to the handle for holding on space for 200 overshoes electric, for a fixed location hygienic, because overshoes are not touched with the hands suitable, especially cheap overshoes made of PE or PP weight: 9 kg
