

HygoClean dispenser TOUCHLESS for soaps and disinfectants touch-free, white, with wall mounting

Euro dispenser Touchless The Euro dispenser Touchless with sensor technology is your ideal companion if you need a contactless access to liquid soaps and/or disinfectants. The Eurodispenser is suitable as a stand dispenser, but can also be easily fixed to a wall or column. It is designed for Euro bottles with 0.5l content.

- non-contact dispenser with sensor technology
- for liquid soaps and disinfectants
- for 0,5l Euro bottles
- free-standing, but also suitable for mounting on wall or column
- made of white, smooth plastic
