

## ESD T-Shirt, with round neck, size S, black

---

The ESD t-shirts with round neckline from Safeguard in black are very comfortable to wear due to the refined, high-quality cotton and are available in many sizes in our online store. The sleeve length is short and there is an ESD logo on the left sleeve. ESD clothing is specially designed to prevent damage caused by electrostatic discharge to sensitive components. Of course, the ESD T-shirts comply with the requirements of DIN EN 61340-5-1.
